Report on Strategic Actions with Recommendations (if applicable):

The list of top 23 titles for digitisation is attached for the ULs discussion. There is no change from the previous list compiled in November 2002.

The Working Party recommends proceeding with new/revised letters from the QULOC Convenor to vendors requesting they consider digitisation of these priority titles.

Report on QULOC Events:

Work is proceeding on the planning for E-topia Revisited seminar for 6 October.
