**Report on Strategic Actions with Recommendations (if applicable):**

The Committee reviewed its strategic issues and possible key topics and activities identified for 2008 included:

- **Web 2.0.** Continuing to investigate information sharing opportunities, eg. EBL, Encore and Research Pro.
- **Licensing.** No further discussions to date
- **Learning objects** as a possible presentation later in the year. No further progress.
- **E-book survey.** Survey completed and summary report circulated and abstract of paper accepted for ALIA. Workshop concept requires further discussion
- **Collection valuations.** Maintain a watching brief.

**Report on QULOC Events:**

**Other Issues/Activities Arising:**

Terms of Reference reviewed in light of Quality Working Party being disbanded.
